

Kyle Rego

Tacoma, Washington

Current role: Loader / Unloader - Hub at UPS

Work Experience

Loader / Unloader - Hub - United Postal Service

Nov 2024 – Current

- Maintained punctuality and readiness for work each day
- Executed strenuous physical tasks safely
- Ensured safe handling of packages throughout the system

Software Engineer (Web) - Impero Software

June 2022 – Feb 2024

- Collaborated across two scrum teams doing Ruby on Rails and ASP.NET Core development, in addition to working in a development support team that addressed production issues in a school focused SaaS product
- Designed and implemented a district dashboard feature for seamless user permission and device access schedule management across all schools in the district, optimizing efficiency for district administrators
- Engineered a support tool to merge duplicate student data securely, enhancing user experience by eliminating duplicates

Medical Scribe - Symmetry Scribes

Apr 2019 – Mar 2020

- Accurately documented patient encounters in real-time for physicians, including history, physical exams, assessments, and treatment plans
- Managed multiple patient charts simultaneously while maintaining attention to detail in high-pressure situations

Grocery Clerk / Customer Service Associate - Market Basket

2012 – 2015

- Assisted customers in locating products and provided friendly, helpful service to enhance their shopping experience
- Adapted to various store duties as needed, demonstrating flexibility and teamwork in a fast-paced retail environment
